Bilateral Meetings

- Friday 12:40 - 17:00

Description

ENECA is a local non-governmental organization based in Nis, registered and operational since 2005. Our mission is sustainable local development in the Southeast Europe (SEE). Since its foundation, ENECA has been active in the field of socio-economic development directly assisting over 1800 small businesses with the equipment, business and vocational trainings, direct monitoring and counseling. Through a range of projects which ENECA has implemented either individually or in cooperation with local and international partners, we have managed to stay focused on resolving the critical socio-economic issues present in the south of the country.
